### **WIN SCHOLARSHIP PROGRAM**

This year, the Women's Initiative of Northwestern (WIN) will launch the WIN Scholarship Program.

Through this program, WIN will be able to provide financial aid to undergraduates from the New York metropolitan area who have shown a commitment to leadership while at Northwestern or in their communities, and have proven financial need. With more than 50 percent of our undergraduate students in need of aid, it is fitting that WIN demonstrates its commitment and encourages young leaders through the establishment of this new scholarship program. The WIN Scholarship recipient will be introduced to members during the year.

**WIN membership is activated with an annual gift of \$250 or more to the WIN Scholarship Program during the University's fiscal year, September 1, 2010 - August 31, 2011.** Members will receive invitations to special events at reduced admission and other benefits.
